A modern office interior with a dark grey wall. In the foreground, there are several cubicles with dark grey dividers and white desks. The cubicle dividers have small white signs with the numbers '6' and '8'. The wall in the background features a large, white, sans-serif 'UBER' logo. The ceiling is equipped with modern, linear LED light fixtures and cylindrical air vents. A green potted plant is visible in the bottom right corner.

The background features a complex, abstract visualization. It consists of a dense, multi-colored wireframe mesh that forms a series of jagged, mountain-like peaks. The colors transition from dark blue and purple on the left to bright yellow and orange on the right. Several vertical dashed lines, colored in green, blue, and orange, extend upwards from the peaks, each topped with a small circle of the same color. The overall effect is one of dynamic, evolving data or a complex landscape.
